Former Mayor Ashbridge, of Philadelphia, is dead.

Monroe Evans died at Millersburg of pneumonia, aged 78.

Louis Cammer, 65 years of age, is dead at Middlesboro.

The three-year-old daughter of Nathaniel Collins, of Brinkley was burned to death.

A woman and her child died at Albany, Ore., as a result of a mysterious poisoning.

Charles Dundon was found dead in a field near Fulton. Death was due to heart disease.

Miss Annie Sweeney, of Bourbon county, was thrown from a runaway horse and sustained injuries which it is feared will prove fatal.

Joseph Miller, baggage-master on a local C. & O. train, shot himself in the throat in an attempt at suicide in his car near Winchester. His brother was burned to death recently in a caboose, and this is assigned as the cause of his act.

NOT A PATENT MEDICINE.

Hymel a Scientific Treatment for Catarrh by Breathing Medicated Air.

Ever since Hymel has been known, its formula has been given to physicians, druggists, and, in fact, to all intelligent people who could appreciate the true merit of this combination of healing gums, oils and balsams, of which it is composed.

Many leading physicians endorse Hymel and prescribe it for catarrhal troubles. In fact, quite a few of them use it themselves to break up a cold and prevent pneumonia. They regard it as a natural, yet scientific way of curing catarrh.

Breathed through the pocket inhaler that comes with every outfit, Hymel destroys all catarrhal germs in the air-passages of the throat and nose, soothes and heals the irritated mucous membrane and effectually drives from the system all traces of catarrhal poison.

No one should confound Hymel with the patent medicines that are advertised as catarrh cures. It is superior to them all as the diamond is more valuable than cheap glass.

The complete Hymel outfit, consisting of a neat pocket inhaler, a medicine dropper, and a bottle of Hymel costs but \$1, and extra bottles can be obtained for 50 cents, making it the most economical method of curing catarrh, as well as the most reliable.

Penny has sold a great many Hymel outfits and has seen such remarkable results from its use, that he sells it under an absolute guarantee that it cures nothing unless it cures.

A laborer breaking stone recently on the roadside at Wambridge, England, the site of the old Roman camp, discovered a ring, which he sold for a few shillings. Experts now pronounce it to be of great interest and value. An inscription on it seems to show that it was a betrothal ring belonging to Bueric, King of the Mericians, who married Ethelwita, daughter of Ethelwulf, King of Wessex, in the year 853.

School Children's Dyspepsia.

The common form of dyspepsia, or indigestion, which stops the growth, pales the cheeks, weakens the system of so many school children, is often due to improper or too quickly eaten lunches. While seeing to a correction of the cause, it is also important to cure the disordered conditions of the stomach and bowels. This can be done by no other medicine so safely and surely as by Dr. Caldwell's (Laxative) Syrup Pepsin. Try it. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

Homer Leigh Mugge You say you were insane when you married me! How are you going to make a jury believe that?

Mrs. Mugge—Oh, I'll have you exhibited in court!

CORNS CURED.—Corn Exit will positively remove corns in four days. The treatment is simple and pleasant and we absolutely guarantee to refund the money to each and every customer whose corns are not promptly removed with entire satisfaction. A bottle of this great preparation only costs 15 cents and nothing if a perfect cure is not speedily effected. G. L. Penny, druggist, Stanford, Ky.

MATRIMONIAL.

Rev. C. L. Stump and Miss Jane Hull were married in Laurel.

Henry C. Coe, aged 75, and Miss Ellen Monks, 38, were married at Pittsburg. Garret Marklund, aged 20 and Miss Anna Belvins, 14, were married at Owingsville.

Thomas Chance, of Georgia, couldn't decide between two charmers, and so killed himself.

Everett Yocum, aged 20, and Miss Nona Lay, 16, were married at Rev. Long's, near Highland Sunday.

Henry L. Hay and Miss Rosa B. Kauffman, both of the Ellisburg section of Casey, will be married, at the bride's home on the 29th.

H. H. Cavanaugh, 74 years old, was granted a divorce last week, and a few minutes later he was married to Ira Belle Adecek, 27 years old. Both are residents of Hopkins county.

William Clark, Assistant Postmaster of Somerset, and Miss Mattie Petty, one of the corps of trained nurses of the Somerset Sanitarium, were married at the bride's home in Lexington.

F. J. Petrey and Miss Jessie Albright were married at Eld. J. G. Livingston's by that gentleman. Mr. Petrey is from Knoxville and his bride is the pretty and popular daughter of Mr. Uriah Albright, of the East End.

J. M. Mayo, of Indian Territory, and Frederick Anderson, of Oklahoma, advertised for wives, received replies, and at Munfordville Miss Clara McCorkle became Mayo's bride, and at Henderson Miss Fannie Kerr was married to Anderson.

Mr. J. H. Mellargue, a prosperous and clever farmer of the West End, and Miss Mary Belle Riffe, of Tyrone, Oklahoma, were married at the residence of Rev. T. H. Coleman in Danville by that gentleman. The bride is a daughter of the late Gen. W. Riffe.

Following a quarrel with her sweet-heart, Miss Eula Reeves committed suicide at the home of her parents, near Glasgow. She took strychnine and just before death came gave into the keeping of her mother a bundle of love letters with the request that they be buried with her.

CHURCH MATTERS.

Rev. O. M. Huey closed a very successful protracted meeting Wednesday evening at the Baptist church; there were 24 additions. Somerset Journal.

Rev. J. P. Harrington, of Versailles, has been called to the pastorate of the Franklin Street Baptist church, Louisville, and has notified the directors that he will accept.

While preaching to his congregation in Carson, Iowa, the Rev. J. B. Lentz, pastor of a Latter Day Saints' church, was struck by lightning, death following in an hour.

Calvary Baptist church is the name selected for the new church to be erected on Swift Avenue, Lexington, by the congregation now worshipping at the Upper-street Baptist church. The building is nearly completed and will be dedicated about May 4.

Orders Disobeyed.

The orders of General Health have been disobeyed, when you feel under the weather, weak, tired, irritable, and suffer from headache, constipation, biliousness, etc. The only, sure, safe, and permanent cure for this condition is Dr. Caldwell's (Laxative) Syrup Pepsin. It has a gentle action all its own, superior to that of pills, powders, and cathartic waters. Try it. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

A spark from a carpenter cog, which dropped between two cogwheels, caused the Phoenix powder mill, eight miles east of St. Louis, Ill., to explode, and two men were killed. Six boys were injured near Evansville as the result of a cigarette being dropped into a can of powder. Martin Spangler, one victim, will die.

The memorial to Gen. Joseph Wheeler, to be held in Atlanta next Tuesday, promises to be a most notable gathering of Civil and Spanish War veterans from the North and the South. The event has assumed almost a national aspect.

Physicians attending Gov. Pattison, of Ohio, neither affirm nor deny a story that cancer of the prostate gland is his real malady, of which the kidney trouble is only a complication. The doctors hold out no hope of recovery.

The three children of Junius Bacheris were burned to death in their home near Oxford, Fla., during the absence of the parents.

"Where is the editor?"

"He's in the back room writing a letter from Panama."

H. S. Hood, wanted at Nashville for grand larceny and embezzlement, was arrested at Somerset.

NEWS NOTES.

The "drys" won at Berry, Harrison county, by six votes.

Judge James Flanagan, aged 86, died at Winchester. He was a personal friend of Henry Clay.

Richard Ivins, charged with the murder of Mrs. Bessie Jollister at Chicago, was sentenced to hang.

At Bedford, Ind., Edward Matthews, formerly of Bowling Green, was killed by several tons of cement caving in on him.

In a rear-end collision on the Chesapeake & Ohio, near Salt Lick, P. D. Paynter, of Ashland, was fatally injured.

Miss Prudie Ford, a student at the Hartford, Ky., college, ended her life in Rough river because she had been accused of committing a theft.

Col. William Ewell Peters, professor of Latin at the University of Virginia, died there Friday. He served as a Colonel under Gen. Jubal Early in the Confederate army from 1861 to 1865.

J. W. Modapp, president of the Ho-dapp Hominy Co., of Seymour, Ind., and one of the largest grain dealers in that section of the State, committed suicide by hanging himself to a gas jet.

Mrs. John Jefferson, of Kokomo, Ind., swallowed a supposed headache powder that had been thrown on her porch as an advertising sample. It proved to be poison, and the woman died in a few minutes.

Down in Auburn, Logan county, citizens are protesting against cats being permitted to run at large at night, and an ordinance is to be introduced by the Town Board prohibiting felines to be out after dark under penalty of death.

The price of coal in the Pittsburg district is advancing rapidly, and large orders are being received from manufacturers from Cleveland and Chicago. The critical situation at Indianapolis has caused a rush of orders from all points.

Union freight depot, of the Louisville & Nashville and Chesapeake & Ohio at Winchester was burned together with large quantities of freight. The books and papers of the road were also burned. A new depot will be erected at once.

Nine causes of action alleged in a suit of the Mutual Life Insurance Company against Richard A. McCurdy, former president, ask damages amounting to \$3,125,000 to reimburse the policyholders for "money wasted through unfaithfulness and neglect."

At a funeral at Brooklyn, Md., Walter Pottee, while insane, shot nine persons, two fatally; set fire to the house, and after a fusillade between himself and bystanders, was found dead when officers burst in to recover the corpse of his brother's child.

Talmage Fender, of Bedford, Ind., killed himself while his parents were at the funeral of his brother. Two brothers and a sister had died of consumption and realizing that he, too, would soon yield to the disease, he fired a bullet into his abdomen.

A letter written by John A. McCall, ex-president of the New York Life Insurance Company, to President Orr, just made public, states that Alexander Hamilton was employed with the positive agreement that no accounting of funds entrusted to his keeping be required.

The Greene and Gaynor case at Savannah has entered upon its 12th week. The defense has but eight or 10 more witnesses to introduce. The government as it now appears will introduce none in rebuttal, so that it is thought three more weeks will probably conclude the famous case.

The Department of Justice will take official notice of the lynching in Chattanooga, Tenn., of the Negro Johnson, in whose case the Supreme Court of the United States Monday granted the right of appeal, which acted as a stay of his execution. Steps have been taken by the department looking to an investigation of the matter. The United States District Attorney for that section will be instructed to make a thorough investigation of the lynching, and if the facts obtained seem to warrant it, proceedings under the Federal statutes will be begun against the participants.

Always Keep Chamberlain's Cough Remedy in the House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept on hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by Dr. W. N. Craig, the popular druggist at Stanford, Ky.

CRAB ORCHARD.

George Harris has received his new Spring goods.

The small pox is now confined and our health officials are using every preventive and have it under complete control.

Our new butcher shop is doing a rushing business, so the proprietor, Mr. Riddle, informs us. His beef is certainly good, whether his trade is or not.

The farmers about here are looking a little blue on account of the bad weather. But cheer up, "behind the clouds the sun's still shining," if it isn't night.

Miss Bettie Higgins is spending a few days in Louisville. Misses Maggie and Allie Pleasants have accepted business positions at Middlesboro and left for that place Sunday.

Crab Orchard is booming in the way of stock trading and trafficking. If it increases in the next three months as it has in the last, it will have a market as good as any town in the adjoining counties.

The Commercial Club meets regularly and the membership book is filling up, so if you want to get into the "making of Crab Orchard," just come in and we will be only too glad to enlist you and listen to the suggestions you may make.

Andrew Dillion and wife, of Liberty, were up Thursday and staid until Saturday. He says the Casey county people lived fine during the recent bad weather, all of them eating three times a day and sitting around the fire between meals.

Mrs. Sallie Pennington and Miss Thelma Bryant have gone to Oklahoma to visit. Mr. McWhorter and daughter, Miss Mabel, were called to McWhorter to see his mother, who was ill and who died. Miss Jennie Pennington is the guest of Miss Lena Napier. Miss Emma Farris is with friends at Brodhead.

The Crab Orchard Hop Club, which was organized a few days since, has set each Tuesday night for its meeting. It invites all the young ladies and gentlemen in this vicinity to participate. The membership is increasing rapidly, so all who like the "soul stirring music" and whirl of the dance, be sure to come next Tuesday and then you are sure to come to the next.

IN MEMORIAM.

The death of Mrs. Mary Ann Sutton removed from earthly scenes a splendid woman, loved by all who knew her for her gentleness of character. She was the widow of Alexander Sutton, who preceded her to the grave some 15 years. She was 61 years old and had been an invalid for a number of years. She is survived by four children, who were all present at her death, Mrs. Taylor House, of the Walnut Flat section; Mrs. Lloyd Bourne, of Garrard, and Samuel and Butler Sutton, of Dewitt, Ill. Mrs. Sutton was born and reared in the Bettis section of Garrard county, where she had many relatives and friends. She removed to this county last fall to make her home with Mrs. House. In her early womanhood she united with the Baptist church, of which she was an exemplary member. Her funeral was conducted at the Lancaster Baptist church by Rev. Ellis, assisted by Rev. Nelson, of the Methodist church. A FRIEND.

Gallops for Aid.

When your stomach is all upset, your liver in bad shape, your bowels out of whack, your head like to split, and every nerve in your body on edge, Dr. Caldwell's Syrup Pepsin gallops for aid and you get it. It clears out your poisoned system, brings fresh, clean blood-supply to all your digestive organs, and restores to you that comfortable feeling of perfect health. Sold by G. L. It had been reported that Mr. Rockefeller, Sr., had evaded the subpoena servers, who have been lying in wait for him for months in behalf of Attorney General Hadly, of Missouri, and had paid a flying visit in an automobile to his son's home in West Fifty-fourth street. When the report reached John D. Rockefeller, Jr., he said there was not a word of truth in it.

"A college professor says that 20 years from now women will be ruling the world."

"I don't doubt it. I see no immediate prospects for man gaining the supremacy."—Pittsburg Post.

It will not cost you a cent to try Chamberlain's Stomach and Liver Tablets, and they are excellent for stomach troubles and constipation. Get a free sample at Dr. W. N. Craig's, the popular druggist at Stanford, Ky.

Gov. Beckham gave as the reasons for vetoing a bill that "it is useless, expensive and unwise." Either was sufficient for a resort to the executive ax. With all three combined the knockout was imperative.—Frankfort Journal.

The Interior Journal.

E. C. WALTON.

THE president of the American Telephone and Telegraph Company, in his annual report to the stockholders, proposes the establishment of a national telephone system in which every subscriber can be connected with every other subscriber throughout the land. To this end he has entered into a contract for the sale of \$100,000,000 of convertible bonds. The number of telephones in use at the end of the year 1905 was 5,698,258. The company reports 6,043,515 miles of wire in its system; 87,212 employees; 4,479,500,000 overwire talks; \$21,712,831 gross earnings. These figures are not inclusive of many independent telephone companies. The business is taking on vast proportions. It is a pleasure to be informed that the charges for service are to be steadily reduced as operating cost has been reduced through economy of installation, standardization of apparatus and tools, and improved engineering and construction method.

THE officers of the life insurance companies who contributed a portion of the companies' funds to political campaign committees committed larceny, is the opinion of Justice O'Sullivan, of the New York court of general sessions. He held that larceny was committed by the officers who authorized such contributions, and charged the jury to investigate as to the responsibility for such crimes. This opinion is directly opposite to the one on the same subject which was submitted to Justice O'Sullivan by District Attorney Jerome several days ago.

REPRESENTATIVE WILLIAMS, of Mississippi, introduced a bill in the National House to establish a District Court of the United States for China and Korea, which shall have jurisdiction in all cases now under the jurisdiction of the United States Consuls and Ministers by virtue of treaties between the United States and China and the United States and Korea. The court is to hold sessions at Shanghai, Canton, Hankow and Tien Tsin, China, and at Seoul, Korea.

REPRESENTATIVE HEARST has introduced a bill in the House to increase the salary of the justices of the Supreme Court of the United States to \$20,000 per annum each. As the judges get big salaries and are permitted to retire with full pay, at ages that most men are in the prime of mental vigor, it would seem that "Billie's" effort seems to be in the wrong direction. He claims always to be on the side of the people.

THINGS must be squally down at Frankfort. A friend of our brother, editor of the State Journal, has presented him with a big pistol and now Mr. Walton is daily engaged in target practice. If he becomes as good a marksman as the man who shot nine people at a Maryland funeral he will prove a dangerous man for Lieut. Gov. Thorne, Senators DeHaven and Sewell and little "Tommy Toodles" Drewery to fool with.

THE members of the Senate of 1906 presented Lieut. Gov. Thorne with a handsome silver tea service as a token of esteem for him at the opening of the session Saturday. The speech of presentation was made by Senator George W. Hickman, of McLean county, who said that the token of love and esteem was meant as much for Mrs. Thorne as for the Governor. President Thorne responded in happy fashion.

THE Atlanta Constitution talks "hoss sense" when it says: "It is somewhat reassuring to see in the rehanging of the Caleb Powers case to the Kentucky court an evidence that some measure of self-government is permitted in the States. Now if the interstate question of immunity from extradition could be settled in the interest of State rights, Kentucky might, at last, bring the Gobel assassins to justice."

THE statement is made that the original docket of the supreme court has not been called since 1877, and that Chief Justice Fuller has announced that it will be called up April 9. The purpose is to require litigants of this class to explain their delay in presenting their cases in the hope that some of them can be eliminated from the docket. The list includes some 20 cases.

THE newspaper men of the Eleventh District organized Saturday at Corbin by electing D. W. Clark, of the Barbourville Advocate, president; P. L. Metcalfe, of the Corbin Times, vice president, and W. M. Neal, of the Middlesboro News, secretary and treasurer. They were elegantly entertained by the citizens of Corbin.

ON the ground that it was excessive, Judge Wright, of Chicago, set aside a verdict awarding Mrs. Davis \$4,000 for a stolen kiss. The judge, who no doubt has stolen a few, knows whereof he affirms when he says that the price fixed by the jury is exorbitant.

EDITOR ALBRIGHT's explanation in the Mt. Vernon Signal of Hon. R. W. Miller's ability to unite all factions as the democratic nominee for governor is entirely satisfactory. We shall now nominate and elect him, the administration forces to the contrary notwithstanding.

THE Casey County News has rounded out its second year under the efficient management of Mr. Henry Thomns, who is not only a clever gentleman, but a good newspaper man.

POLITICAL.

The condition of Gov. Pattison, of Ohio, continues alarming.

The Legislature is still wrangling over the rectifiers' tax rate. It is more than probable that it will be 11c per gallon.

The appointment of Reginald T. Tower as British minister to Mexico in succession to Sir George Greville is announced.

The law against the performance of such plays as "Uncle Tom's Cabin," "The Clansman" and others likely to create race prejudice has been signed, sealed and delivered.

By a unanimous vote the National House Committee on Judiciary agreed as foretold, that insurance cannot be regarded as interstate commerce, and decided to make a report to the House to that effect.

Alton B. Parker, of New York, has authorized the statement that he did not, while in the South, or elsewhere, discuss the possibility of a second nomination for Mr. Roosevelt. Neither did he suggest Mayor McClellan for the presidency.

The Ohio House committee on Federal relations recommended the appointment of a committee to secure the cooperation of two-thirds of the States toward calling a constitutional convention, with the object of providing for the election of United States Senators by a direct vote of the people.

The Federal grand jury at Covington, which convenes April 2, will investigate charges that Dr. W. Godfrey Hunter, former Minister to Guatemala, and former Congressman from the Eleventh Kentucky district, accepted campaign contributions while he was making the race against Congressman D. C. Edwards in 1904.

Representative Dawson, of Iowa, is being discussed by Republican leaders to succeed Representative Overstreet, of Indiana, as secretary of the Republican Congressional Committee. It is generally conceded that Representative Sherman, of New York, will be named chairman of the Republican Congressional Committee, and Representative Tawney, of Minnesota, is still the most discussed candidate for vice chairman.

Brown went home and found the smoke house empty. His wife had failed to inform him. He spent \$25 for bloodhounds and two days following tracks, and when his wife got home was told where the hams were.

"I was and am yet afflicted with rheumatism," says Mr. J. C. Bayne, editor of the Herald, Addington, Indian Territory, "but thanks to Chamberlain's Pain Balm am able once more to attend to business. Commissioner's Sale!

Lincoln Circuit Court. Mrs. P. O. Dunn's heirs, Plffs., vs. Mrs. P. O. Dunn's heirs et al, Defts. Notice of Sale. Pursuant to a judgment of the Lincoln circuit court rendered in the above styled action at the February term 1906, the undersigned master commissioner of said court will on Monday, April 9, 1906, between 1 and 1:30 P. M., in front of the court house door in Stanford, Ky., sell at public outcry to the highest and best bidder the real estate hereinafter described. The said real estate consists of that tract of land situated in the eastern part of Lincoln county, Ky., which was owned by Mrs. P. O. Dunn at the time of her death. It is bounded on the North by the lands of the heirs of George King, on the east by the land of Grove Cook's heirs, on the south by the land of Samuel Parcel, Alice Williams, Abe Campbell and Amanda Higgins, and on the west by the lands of James Taylor. At the time of her death Mrs. Dunn was indebted in certain sums, and upon reference of the question of her indebtedness to the commissioner it was found and reported by him that her estate was indebted in the sum of \$500.00 and interest on certain portions thereof. Said report was confirmed except as to one claim of \$50 and interest from Sept. 28, 1904, which claim has not yet been liquidated. The personal estate not being sufficient to pay the aforesaid debts as much as \$50, and the real estate above mentioned not being susceptible of division without material impairment of its value, this sale was ordered by the court for the purpose of paying the debts as above set forth, and distributing the surplus, should there be any after the payment of debts and costs, among the heirs of Mrs. Dunn. The sale will be made on a credit of six months, and the purchaser will be required to give bond for the purchase price, with approved security, payable to the commissioner and bearing interest at the rate of six per cent. per annum from date of sale until paid; and to secure the same a lien will be retained on the land sold. THE Spring Entertainment at the Graded School Friday night was greatly enjoyed and well attended, considering the fearful weather. Each of those who took part is deserving of congratulation. The musical numbers were good, the recitations were well given, while the dialogues, declamations and pantomimes were most creditable. The debate: Resolved that Wealth is a Greater Incentive to Education than Fame, was decided in favor of those representing the negative side.

MR. J. F. ALLEN, who has been here some time looking after a right-of-way, etc., for the proposed steam road between Scottsville and this place, says the INTERIOR JOURNAL and the Danville papers did him an injustice when they quoted him as saying that Stanford citizens had promised to subscribe \$200,000 in the event the road came to Stanford. He says a number of our business men presented a proposition that they subscribe a certain amount when the road was completed to Stanford, which he declined at the time to accept, wanting to look further into the matter.

between 1 and 2 o'clock, sell at public outcry to the highest and best bidder the real estate hereinafter described. The amount necessary to be realized from this sale is the sum of \$200 and interest thereon and paid, at the rate of 6 per cent per annum from Dec. 12, 1905, subject to a credit of \$75, paid July 17, 1901, and the costs of this action. Said real estate is situated in Lincoln County, Kentucky, and is in two tracts. The first tract, which is on the west side of the county road about two miles west of Crab Orchard, Ky., on the north side of the Stanford pike and immediately in the rear of lands now owned by W. F. Evans, is bounded as follows: Beginning at a stone in the south west corner of Andy Payne's 1/2 acre lot, the same being a corner to W. F. Evans, marked by a stone and small black oak, N 10 E 49 1/2 feet to a stake in King's line and corner to said 1/2 acre tract, thence N 73 1/2 W 109 1/2 feet to a stake in a branch near a white oak stump, corner to Mrs. Wm. The second tract is on the waters of the river in Lincoln County, Ky., and is bounded as follows: Beginning at a stake near an old lime kiln, corner to Sargent and King, thence N 17 1/2 E 730 feet to a stake near a black oak sapling, S 8 E 730 feet to a stake, 20 feet east of elm, thence S 10 1/2 W 319 feet to the beginning, containing four acres and 26 poles of land, the deed conveying said land being of record in the office of the clerk of the Lincoln county court in deed book 35, page 517.

The sale will be made on a credit of six months and the purchaser will be required to give bond for the purchase price, with approved personal security, payable to the commissioner, and bearing interest at the rate of 6 per cent per annum from date of sale until paid, a lien being retained on the land for further security.

DARE ALL 2086.

The combined stallion, will make a limit of season, 1906, at Laxm Merck Farm 2 1/2 miles west of Hustonville, Ky., on the Bradfordville & Hustonville pike, near Carpenter's Station, at \$15 to insure a Living Colt. Mares traded or parted with for less insurance and money becomes due at time of such transaction. Lien retained on colt till season is paid. Mares grazed at \$2.50 a month. Grain fed, if desired, at reasonable rates. Bills must be paid before removal of mares. Mares entrusted will receive my personal attention, but I will not be responsible for accidents or escapes.

DESCRIPTION.—Foaled in 1902, 15½ hands high, dark bay with one front and rear foot white, star. A model of great beauty with short back, long neck, deep, well-sloping shoulders, and with great style, as one would expect from reading his pedigree, good bone, fine feet and legs, wonderful stamina. Attractive by halter, under saddle and in harness, with that graceful movement that belongs to him by inheritance from a long line of the most famous ancestry of saddle horses the world has ever produced.

Pedigree.—Sired by Dignity Dare, No. 1985, Vol. 5 A. S. H. R., he by Chester Dare to be by Black Squirrel 58, he by Black Flag 74, he by King William 67, he by Washington Denmark 64, he by Gaines Denmark 61, he by Denmark 1, S. 1st dam Fannie 2, he by King William 67, 2nd dam Mollie Good by King William 67, 3rd dam by Devenport's Oliver, 4th dam Dignity's 1st dam by Welchmont 67, 5th dam T. H. K., he by William Welch, he by Kysdyk's Hambletonian, and dam by Abdallah Messenger, 3rd dam by Gills Vermont.

REMARKS.—In offering the services of Dare All to the public, I take occasion to state, without presumption, that I have been a breeder and handler of fancy saddle horses for 25 years and experience has taught me to know and appreciate a high-class one. Dare All is the result of careful, painstaking breeding and comes as natural result of mating the very best mares with the foremost stallions the State has afforded.

Carrying about 25 per cent. of King William blood, a greater per cent. than any stallion in service in the State, King William being regarded as pre-eminent for fancy saddle and harness horses.

Dare All, sired by the now coming famous Dignity Dare, he in turn by Chester Dare, following a long list of sires, every one a great show horse, out of mares that were equally as famous as show mares, and his dam, Fannie Mc., the greatest show mare I ever owned, having refused \$1,000 for her, I think entitles him to the careful consideration of all prospective breeders. He is now just being started to the saddle, taking to the gait as quick and handy as any I ever handled. I think he will be a grand show horse when finished. See him before booking your mare.

The Blue Jack, SAM.

Was sired at S. H. Laughman's. Sam is by Abram and he is by Imp Abram. Dam by Black Hawk. The dam of Sam was a well bred jennet. Sam is 5 years and is 14 hands high. Sam has proven himself a good mule jack. Come and look Sam over before booking your mares.

Will stand at \$6 for mare mules and \$5 for horse mules four months old.

Lien retained on all colts until season money is paid. Mares traded, parted with or removed from the county forfeits the insurance. Care taken to prevent accidents but not responsible should any occur.

Will stand at my place 4 East of Waynesburg and 2 miles West Lay's mill.
